Spring calls for change

Sarah Innes

During the first week of Spring, we had a two-day training on Discipleship in Groups and how our organisation can become more effective in it. This calls for a slight shift in priorities across our base to fulfill this, but we believe discipleship is essential and is needed to move into what God is calling our base to.

The new coffee shop (photo above) & our offices were also opened and have become extremely helpful in our day-to-day work environment.

The beginning of this month has been filled with multiple meetings, Bible study Zoom calls with High School Students, Online prayer meetings with women across the nation, small group sessions, and team prayer.

Jesus Night

In Potch, we host a Jesus Night twice a year, where hundreds of people come to worship together, and we get to hear testimonies of what God is doing in different people's lives, and then trust that there will be a breakthrough in the room.

Before that night, we went to different university hostels to gather and minister to the students. A team and I went to a women's residence called 'Vergeet My Nie'. We spoke about how to take action and become women of solution to different areas, that God called them to - many were touched by God and radically encountered His love. The Jesus Night itself was super powerful, and many students got set free from hurt, pain, and lies.

Bloemfontein Tour

The third week of September, I went with a team to Bloemfontein on tour. We went to two different High Schools to minister and activate them. We also worked alongside the university society to help teach & train them. We had prayer sets with them as well as Evangelism and worship nights. There is a hunger in the hearts of these students and they are multiplying quickly.

Break & Rest

The last week of September, I had a much-needed break. I got to rest & reflect on what God is doing and my part to play in all of this. God is also helping me not to make ministry an idol and to learn the importance of taking time to be still and know He is God. To also have fun, I believe even in the Ministry, it is possible to enjoy off time.

Prayer Points

- Planning and Favour to possibly go to the DRC at the end of the year
- Wisdom and vision for planning 2026
- Strength & Capacity to end this year well

Die 30 Volgende Stappe

Om verskeie redes dink ek nie ek het ooit iets belangrikers geskryf as 'n kursus vir jong gelowiges nie.

Vir 46 jaar soek ek al 'n manier om jong bekeerlinge te dissipel.

Twee jaar gelede het ek uiteindelik 'n eenvoudige manier gevind om dit te doen.

30 Bybelstudies vir Nuwe Volgelinge van Jesus.

Sal ons dit "Die 30 volgende stappe" noem?

Ek het dit in 'n *YouVersion*-leesplanformaat geskryf (sien hieronder).

Maar dit is ook beskikbaar op 'n toepassing: Make Disciples.

Tans is dit beskikbaar in 12 tale: Afrikaans, Arabies, Engels, Farsi (Iran), Frans, Duits, Spaans, Russies, Hongaars, Roemeens, Turks en Portugees.

As jy onlangs iemand na die Here gelei het of 2-3 nuwe bekeerlinge kan bymekaarmaak, laai hierdie materiaal af.

Een belangrike versoek: Moenie hierdie studies op jou eie doen nie.

Doen dit in 'n mikrogroep van 3-5 mense. Om alleen te werk, sal minder as 5% van die voordeel oplewer in vergelyking met om in 'n groep te werk.
